Meet. Share. Do. That's what *On the Table* is all about. It's an opportunity to gather for meaningful conversations to build personal connections and explore how we can work together to make our communities stronger. This year's conversations will be virtual or in-person, following safety guidelines.

We know that big ideas can spring from small conversations and that people invest in what they help create. At Central Carolina Community Foundation, we are committed to bringing people together to create a more generous, vibrant, and engaged community.

Central Carolina Community Foundation is hosting *On the Table* with support from the John S. and James L. Knight Foundation. *On The Table* replicates an annual civic engagement initiative of the same name developed by The Chicago Community Trust in 2014. Support for *On the Table* advances Knight Foundation's work to help cities attract and keep talented people, expand economic opportunity and create a culture of civic engagement. Knight Foundation believes that successful communities are equitable, inclusive and participatory.
